18	19	20	21	22
Final Exams for Ga Milestones EOC Courses & SENIORS		REVIEW Day	Final Exams all other Courses (1st & 4th)	Final Exams all other Courses (2nd & 3rd)

The spring 2015 testing calendar for exams is shown above. The schedule is different from 1st semester because we tried to simplify the testing process and clear up confusion about the schedule.

- **April 28th – 30th** - Exams will be given in all **ENGLISH** classes. We will operate on a regular bell schedule for these days.
- **May 13th and May 14th** - ALL other exams for all other courses. There are no exemptions for these tests. The classes will be approximately 2.5 – 3 hours long and students will only go to **1st & 4th blocks on May 13th and 2nd and 3rd blocks on May 14th**.
- Students in English and some CTAE classes this semester have already taken their exam prior to these two days in May. They will get to exempt one block on either **5/13 or 5/14**. If your child has an English or CTAE course, he/she will be given a permission slip which to present upon signing in/out on these days. If on campus during their exempted time, they must go to class. Students MUST sign in/out in the main office on these days.
- **May 18th and 19th are required days for ALL underclassmen**. Only seniors having to take Finals will come on 18th.
- All students will be handed a slip informing them of whether or not they must take the FINAL EXAMS on May 21st or May 22nd. More details about Final Exams will come later.

Please feel free to contact Michelle Dye, (706) 213-4113 or mdye@elbert.k12.ga.us with any questions.

Sincerely,

Michelle Dye

Assistant Principal of Curriculum and Instruction
